

Becky Simon, Headquarters – Becky is in charge of accounts payable and receivable at Headquarters in Gettysburg. She is the second longest tenured C & B employee (16 years) and always puts others first. She is always helping others, yet finds a way to also get all of her responsibilities done. Most of all, she has fun and it rubs off on those around her. Becky worked closely with Dan Cronin for several years and she lives the qualities of the award every day. Congratulations Becky Simon!

Doug Hampton, Idaho Region - Doug has been employed at Bonneville County Implement since 1999. He has advanced to the lead technician in the Idaho Falls Service Department. Doug has earned the reputation among our customers as being the top Hay Technician with our Commercial Hay Growers and also leads our In-Field Service Team. Doug provides leadership and guidance in the Service Department and is back up Service Manager when needed. Congratulations to Doug Hampton!

Ben Wieseler, South Dakota Region - Ben is Potter County Implement's store manager and led his crew to a 91% sales increase this year, the highest of any C & B store. Ben has a calm way of managing tough situations, always respects employees, and puts customers first in all he does. Ben gets little things done that make the whole store function easier. Ben helps the whole region with our order bank with Deere, and answers many Shortline and other questions. We hear a lot of nice comments from other stores, other regions, Deere & Company employees and customers about their relationship and dealings with Ben. Ben is involved in the community and truly enjoys his job and helping customers. Congratulations Ben Wieseler!

Rich Feller, Montana Region – Rich is a long time technician at Park County Implement, Powell, Wyoming. Rich has been in the business for 21 years and is one of the head technicians both in the shop and on the road. He is always around to lend a helping hand to get the job done. His rock hard honesty is appreciated and you always know where you stand. Rich is a pleasure to be around and is very dedicated to his work. Congratulations Rich Feller!!

Eric Edlin, Minnesota Region – Eric is shop format at Tri County Implement in Jackson, Minnesota. Eric has been at a John Deere dealership since 1996 when he graduated from Iowa Lakes Community College. He is currently one course away from being a MASTER technician. His interests are antique tractor pulling, motorcycling, and camping. Eric's supervisor states, "This man is a huge asset to the Jackson facility, he just does what needs to be done." Congratulations Eric Edlin!!
