

PCI gets Friends of 4-H Award - At the Potter County 4-H recognition night, Nov. 1st, 2009, PCI was surprised with the “Friends of 4-H” Award. Owner Matt Cronin, & store manager Ben Wieseler, were thanked for PCI’s visible presence during setup, clean up & all events at the county fair—providing equipment & workers for the derby, rodeo, tractor pull, livestock shows, mural painting & static exhibit building, cooking Tuesday’s evenings meal, participating in the church service, sponsoring member t-shirts, and buying exhibitor premiums. PCI Manager, Ben Wieseler says, “The best compliment was when 4-H leaders thanked the employees of PCI for their support and great attitude toward 4-H. A lot of our employees donate their own time to 4-H and especially to the Potter County Fair. This was a nice recognition of our employees time & talents.”
